Finally, in about 200-300 words, please describe below your reason for studying in Japan. You can write in English or Japanese. Please be as specific and concrete as possible.

Please include these plus anything else you want:

- why you first became interested in Japan/Japanese language
- what you like about Japan/ Japanese language
- how you studied Japanese before,
- why you chose GenkiJACS

- what you plan to do after you graduate
- how you plan to use your Japanese skills
- anything else you think might be useful

This essay is quite important for your application – the Japanese government uses it to evaluate how serious you are about studying in Japan.
