

LEXIS ACCOMMODATION

SERVICED APARTMENT

For those wanting a more comfortable stay, serviced apartments offer a higher standard of accommodation. We have affiliated partners in both Seoul and Busan to offer you the most convenient stay. Please do note however that serviced apartments are one of the more expensive options and therefore are more suitable for short term stays.

SEOUL – GANGNAM ARTNOUVEAU CITY

We are affiliated with Gangnam Artnouveau City which is right in the heart of Gangnam, conveniently just a short 3 minutes' walk from Lexis Seoul and 5 minutes from Gangnam station Exit 5. Artnouveau City provides a double room priced at KRW 80,000 per night. Bedroom and living room are separable by sliding door, with a fully furnished built-in kitchen and private laundry facilities. There is also a fitness centre provided for guests at no extra charge.

HOMESTAY

Homestays allow students to live with a local family, experience day-to-day life in Korea, and enjoy amazing home-cooked Korean food! There is no better way to develop your language skills and learn more about this fascinating country than to fully immerse yourself in the culture and society. As with most Koreans, our homestay families are eager to share their culture with our students, and can introduce you to some of the hidden delights of Seoul and Busan. Some families live in downtown apartments, others in larger homes in the suburbs, but regardless you will be warmly welcomed to the house as a guest, and will have the chance to experience the hospitality for which Koreans are well known for.

MINI STUDIO

Lexis Korea can arrange accommodation from a selection of mini-studio locations in both Gangnam and Seomyeon. Mini-studios, better known as 'goshiwon', are low-priced accommodation normally used by university students.

Rooms are self-contained, with basic furnishings and a private bathroom. Kitchen and laundry facilities are shared, with most providing free rice, noodles and kimchi. Please keep in mind that while mini studios are the cheapest possible private accommodation, the rooms are very small!

Typically, the mini-studios we provide are within a fifteen-minute walk to the Lexis campus, and are a short stroll from a near-endless selection of shops, restaurants and bars. Full CCTV security systems are in place, along with auto-locking doors and on-site security; making mini-studios an ideal option for women travelling alone. Many providers offer 'women only' floors, so please request this if you would feel more comfortable.
